

INVITATION

Dear J24 Sailors,

We delighted to announced that the Hungarian Championship for the J24 sailors will take place in Balatonkenese at lake Balaton of Hungary between the 27th and the 31th of July 2011.

HUNGARIAN CHAMPIONSHIP Hungary, Balatonkenese, 2011.

17th of June, 2011.

Hungarian J24 Association, Kenese Marina-Port Yacht Club and Hungarian Sailing Association would like to invite the members of the European J-24 Association to Lake Balaton, to the Hungarian J24 Championship 2011. We would like to welcome all J24 excellent sailors.

The organisers' intention is that guests not only have fun sailing, but after the races, as well. Those who are attending the regatta will experience the warm and loving Hungarian hospitality. Balaton (the Hungarian sea, as we refer to it) is awaiting the sailors in July with really good wind and warm, summerlike weather. Besides the ambitious sport event, the guests are offered several exciting programmes by the organisers: along with wonderful tastes of the Hungarian cuisine guests can taste of Hungarian music.

Naturally, besides these events, there are plenty of marvellous programmes and excursions awaiting you at Lake Balaton.

For those who do not wish to bring their own boats, there are still J-24 charter boats available (manufactured in 2008). For further information, please send an email to Endre Pető, e-mail address: endre@petoe.hu

For further information, please send an email to Júlia Dávid, e-mail address: davidj@yacht.hu
